#### 2011 Founders Day - 127 years of Serving Veterans

By Jody Price, Public Information Officer

n Tuesday, April 12, 2011 the Veterans Home of California, Yountville celebrated its 127th year of serving Veterans.

The "Hills Angels" wheelchair drill team did an outstanding job welcoming the crowd with a performance at the beginning of the ceremony. Welcoming remarks were made by Administrator, Marcella McCormack and Allied Council, Lois Printz. On behalf of the California Veterans Foundation, Volunteer Coordinator, Susan Heims gave an update on what has been purchased and what may be needed in the future. The VVA 702 (Viet-

nam Veterans) gave a heartfelt presentation thanking Walter Kirby for all of his hard work and dedication to his fellow Veterans. (photo at left)

And now for the moment that

everyone is waiting for ... The induction into the Hall of Fame. This is an incredible honor as the Staff and Residents nominate who they feel has gone above and beyond the call of duty for the Veterans Home of California, Yountville. Tillie Crossman (photo below), former Chief of Post Fund

Enterprises (PFE) was the chosen one this year. Tillie started her career at the Veterans Home of California, on June 30, 1965 at the young age of 18. Her first assignment was clerk in the "Store" which is now the Creative Arts Building. Back in 1965, the home did not have a

Base Exchange store like it does today. PFE was responsible for providing a "Store" like atmosphere with the goods that the Residents needed most. As Tillie grew into her job, PFE grew with her. Many new enterprises were added to PFE to improve the quality of life for the Residents. That was really Tillie's main focus. The Residents of the Veterans Home. Tillie worked many, many hours to assure that the new enterprises complied with State regulations and the needs of the Residents were being met. With this responsibility, Tillie made sure that she had the qualifications needed to do the necessary paper work which included payroll and the insurance and benefits for the PFE employees. While Tillie was the Assistant Chief of PFE she trained three PFE Chiefs. It was an easy decision when the opportunity arose for Tillie to be in charge. As Chief, Tillie man-

aged with a firm hand, but always with a gentle heart and an incredible sense of humor. Tillie has dedicated more than 3/4 of her life to the Veterans Home and its Residents, 44 years to be exact. Tillie will always be in our hearts and part of this home. She remains "on call" as a Registered Volunteer, in case we need her knowledge and assistance.

After many tears of happiness we moved on to the performance by the Soldiers Story Band. This is a group of 3 men and 1 woman that read actual letters from Soldiers while serving their country to music. It was a wonderful time to reflect on our history and honor our Veterans.

Founder's Day would not be complete without the traditional Ice Cream Social sponsored by the Korean War Veterans. It was great to see all of the Residents enjoy a scoop of ice cream and have a few laughs.

The Staff of the Veterans Home of California, Yountville; will continue to serve our Veterans for many, many

more years with pride.

## Hpril in Paris By Lou Zauner, Photojournalist

pril in Paris? ... well not exactly, Abut as close as it gets in Yountville!

Thomas Keller and The French Laundry, one of the most renowned restaurants in the world; personally invited us, two Home Residents, Ali Grannis and Lou Zauner, as guests for dinner on Tuesday, April 12.

The French Laundry

... well not exactly personally invited, but Ali Grannis had been the lucky winner of a drawing to celebrate Yountville Night, and chose Lou Zauner as her escort to pay the \$270 each for the price of dinner.

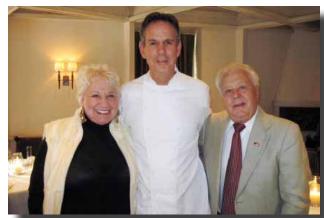

... well not exactly. The original 1994 menu price of \$49 for a seven-course menu was the price for this special occasion which brought the total to \$100 for the two of us. The \$100 was the courtesy of "Max's Pawn Shop" for Lou's watch.

There was no charge for *corkage*. For those of you of ordinary dining, this means you can bring your own bottle of wine and there is no extra charge. We brought a magnum of fine vintage white wine, special reserve.

... well, not exactly. It was an \$11.95 Chardonny for which Ali paid.

And, of course, the media was there to interview us for fine French cuisine and haute dining comments.

... well, not exactly. Lois Riker, who writes "Out and About" for the Yountville Sun, was there and we gave her our names.

Ali Grannis, Thomas Keller, Lou Zauner

Thomas Keller was a delightful host! The evening was a fabulous experience! We sincerely thank Thomas Keller and the French Laundry for an unforgettable Dinner.

... and that's EXACT.

#### **Veterans Home Tree Walk**

by Nancy Bueno

The "Tree Walk" is the brain child of Bob Heiss, Veterans Home Resident who is Chairman of the Allied Council's Building and Grounds Committee. His many hours spent on this project came to fruition on April 15, 2011 at a small ceremony near Residential Section C.

Bob spoke about the many people who had helped in this project, but his true dedication was revealed by Marcella McCormack, Adminstrator.

In speeches from Bob and Marcella, we learned about some of the history of the beautiful trees at the Veterans Home. It was history that few know, such as the part Fred Borman played in obtaining 152 species of trees through his friend John McLaren of Golded Gate Park. The canopy of trees that line the entrance to the Home are from the 1939 Treasure Island World Fair.

Another supporter of our trees was Colonel Holderman. It is reported that his friends brought him trees from all over the world. I believe that may be the source of the exotic Bunya Bunya tree from Australia. In a brief conversation

Grace Evens reading Joyce Kilmer's "Trees"

with Yountville Mayor John Dunbar, who attended the ceremony, I mentioned that the Bunya Bunya tree gives me a visual link to my friend in Tasmania who has a Bunya Bunya in her yard.

I know that I'm not alone in feeling ties to these beautiful trees. Everytime I see the majestic tulip trees it reminds me of my childhood in Indiana.

The ceremony included comments from Ed Olson, Chair of the Allied Council, and a beautiful reading of Joyce Kilmer's "Trees" by Grace Evans who was instrumental in the identification fo the trees and the development of the data base.

Ed Olson, Marcella McCormack, Bob Heiss, John Dunbar

The tree walk begins at the entrance to the Alameda by Section C and continues in a counter-clockwise manner around the Alameda. A total of 387 trees within 104 species have been identified. When the project is finished, 314 trees will have plaques by them. Along the tree walk, 34 curbside signs will show the location of the trees. These curbside signs will allow viewers to identify trees without having to walk to the individual signs.

Congratulations to Bob Heis and his group of busy workers that have made this project possible.

#### A Flight Back to History

By Lou Zauner, Photojournalist

Although the exhibit was "Flight," the Home Residents had to get to the Petaluma Museum by bus on Saturday, April 9, to "land" in an adjacent parking lot before witnessing a remarkable collection of aircraft memorabilia, particularly from the World War II era. The exhibit included movies and an hour-long speech by Colonel Jack Kraut, who recounted his Army Air Corps and Air Force career experiences and the many types of aircraft he was privileged to fly.

The Petaluma Museum itself is a fascinating study of past times in the agricultural and poultry community of the Town of Petaluma. "Believing that he who dies rich, dies disgraced," steel tycoon Andrew Carnegie gave away much of his wealth. One of his thousands of "Carnegie Free Libraries" was the Petaluma Carnegie Free Library.

One of the first erected in California and one of the most beautiful,

Aside from the special exhibits hosted in the Museum, the permanent displays tell the stories of early settlers who built their community around river transportation and agriculture, mostly the poultry and dairy industries. Visitors can view farm kitchens, rustic poultry houses, and an ornate Victorian parlor typical of a prosperous early family; all a reminder of small-town America.

A special exhibit, "Petaluma's Salute to American Graffiti," is dedicated to

that motion picture which was filmed mainly in Petaluma in the summer of 1972. Whereas Petaluma was not competing with Hollywood, a surprising number of films, including "Peggy Sue Got Married," "Shadow of A Doubt" and "Basic Instinct" found their location in Petaluma.

For a grand afternoon of historic American community experience, Petaluma is an ideal destination. And don't miss the Museum, an ornate and generous Carnegie legacy.
